

Suggested Use: Adults take 4-6 capsules daily. Take 2-3 capsules a half-hour prior to a meal and 2-3 capsules before bedtime. For larger doses, please consult a healthcare practitioner.

Res-Q[®] 1250 is the purest, most potent form of omega-3, EPA and DHA, available. Res-Q 1250 is derived from Pelagic fish harvested from the pristine waters surrounding Norway. Manufactured in a pharmaceutical licensed facility, Res-Q 1250 undergoes an extensive purification process, including molecular distillation, and is tested to ensure that no pollutants, such as Mercury, PCB's, or pesticides, are encapsulated within the product.

Omega-3's have been extensively studied and have been shown to improve cholesterol levels as well as overall cardiovascular health. Research has also credited omega-3's for reducing inflammation.*

Improve your overall health by incorporating Res-Q 1250 into your life.

It is recommended that a physician be consulted before taking any supplements.
