

Suggested Use: Adults take 1 caplet in the AM and 1 caplet in the PM, before a meal.

Res-Q[®] TS², along with a balanced diet and exercise, promotes healthy weight loss by encouraging appetite-control and supporting a healthy fat-burning metabolism. Maintaining healthy body-weight is critical to heart health and cardiovascular wellbeing. **Res-Q[®] TS¹** and **Res-Q[®] TS²** are recommended in combination, and should be used in adjunct to other heart healthy **Res-Q[®]** products. †

† These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure, or prevent any disease.

It is recommended that a physician be consulted before taking any supplements.
